PROJECT NAME: SPECIAL SUPPORT GRANT

EXECUTING AGENCY: Gulf Provincial Government

PROJECT OBJECTIVIES:

(a) To support the approved Provincial and District Plans (b) To provide assistance to rapidly develop infrastructure so that benefits of mining & petroleum projects spread outward from immediate project area. (c) To provide both small and large scale infrastructure projects that benefit a whole community in the host Province or adjoining Province impacted by either the mining or petroleum project. (d) To support and achieve significant equitable development progress as directed by NEC Decision No. 46/95 in Human Resource Development on maintenance of existing and new physical state infrastructure.

PROJECT STATUS:

Most projects funded under SSG in the provinces are infrastructure related and are ongoing, others have been fully implemented.

PROJECT COMPONENTS:

A broad range of government infrastructure and development projects shall be funded under SSG. These range from infrastructure such as road construction, upgrading & maintenance to support for human resource development in the fields of education, social development & women. Also administrative services in local level government, district administration, police, courts and so forth can be funded under this grant.

PROJECT LOCATION:

The following Provinces currently with significant mining and petroleum activities are recipients of this grant- Western, Gulf, Southern Highlands (Petroleum), Enga and New Ireland. The SSG will be divided between the impact area and the host province area as agreed in the existing MOA.

PROJECT JUSTIFICATION:

Special Support Grants are earmarked for provinces with mining operations as part of the National Government's contribution towards development in these respective provinces. The SSG was introduced in 1989 as part of a Basic Mining Package and later in 1990 extended to the Petroleum sector. The SSG is provided for in project agreements and is intended to bring development to the impact area and the Province.

PROJECT CAPACITY:

Respective Provincial Governments and Special Purposes Authorities have the capacity to implement projects funded under SSG.

PROJECT BENEFICIARIES:

Beneficiaries of this grants will be the people of the respective Provinces mentioned above.

PROJECT SUSTAINABILITY

The respective provincial governments will maintain the infrastructure facilities and roads once completed as part of their recurrent costs.

PROJECT NAME: KEREMA HOSPITAL REDEVELOPMENT

EXECUTING AGENCY: Gulf Provincial Government

PROJECT OBJECTIVIES:

To provide to the people of Gulf Province a General Hospital Service.

PROJECT STATUS:

This is not a new project but has been mooted over the last 10 years. It was considered for funding as part of the Eloreia Mea Township Development Project in 1995 however was not implemented due various reasons. Detailed activity plans have been finalised for actual detailed designs to be done including procurement of essential medical equipment under phase 1.

PROJECT COMPONENTS:

Components of the projects are as follows Phase 1- Purchase of surgical equipment, consultancy-Detail design & Contract documentation. Phase 2- Construction of Accident & Emergency units, Administration Building, ICU, Intermediate & General wards, Clinical disease Pathology & Blood bank units and dispensary & bulk store. Phase 3- Construction and procurement of sewerage treatment and water supply generator respectively.

PROJECT LOCATION:

Project is located in Kerema-Gulf Province

PROJECT JUSTIFICATION:

The project is not a new project but has been mooted over the last 10 years. It was considered for funding as part of the Eloreia Mea Township Development Project in 1995 but due to differences in implementation of the project it was shelved. Currently the hospital is not providing the level of services required due to its run down infrastructure and lack of medical equipment hence contributing to poor health indicators for the province.

PROJECT CAPACITY:

The Provincial Government in liaison with Department of Works, Health and Provincial Hospital Board will implement the project.

PROJECT BENEFICIARIES:

Beneficiaries of this project will be the population of Gulf province who will have access to improved health services and the staff of the Hospital who have access to better medical equipments.

PROJECT SUSTAINABILITY

The Project will be self sustainable, operational and maintenance cost will be financed from the various fees collected by the Hospital as well as Grants provided both from the Provincial Government and the Department of Health.
