PROJECT NAME: CENTRAL CITY (EDA TANO)

EXECUTING AGENCY: Central Provincial Government

PROJECT OBJECTIVIES:

To create an identity for Central Province, by establishing a new Central Provincial Government Headquarters.

PROJECT STATUS:

No reports recieved on current status

PROJECT COMPONENTS:

The Project has two main components comprising of a number of interlinked activities. These are 1. Construction of Amentities, Commercial Centre and Tennant housing and 2. Landscaping and beautification.

PROJECT LOCATION:

The project is located at Portion 1030 & 559 Bautama, Central Province

PROJECT JUSTIFICATION:

Central Province has been with out a capital since Independence. This has resulted in its people missing out on important services, hence have to travel long distances to Port Moresby to do their business. With the construction of the new township it is hoped that essential services like health, education and various infrastructural developments can now be closer to the people.

PROJECT CAPACITY:

The Project Management Office under the the direction of the Central City Development Committee has the capacity to implement. Additional assistance will be provided by the Central Provincial Government where necessary.

PROJECT BENEFICIARIES:

The immediate beneficiaries will be the people of Central Province and the Central Provincial Government who when project is completed will have a permanant headquarters to operate from.

PROJECT SUSTAINABILITY

The project once completed will become self sustainable through the various taxes and grants that Central Provincial Government will recieve.

PROJECT NAME: SPECIAL SUPPORT GRANT

EXECUTING AGENCY: Central Provincial Government

PROJECT OBJECTIVIES:

(a) To support the approved Provincial and District Plans (b) To provide assistance to rapidly develop infrastructure so that benefits of mining & petroleum projects spread outward from immediate project area. (c) To provide both small and large scale infrastructure projects that benefit a whole community in the host Province or adjoining Province impacted by either the mining or petroleum project. (d) To support and achieve significant equitable development progress as directed by NEC Decision No. 46/95 in Human Resource Development on maintenance of existing and new physical state infrastructure.

PROJECT STATUS:

Most projects funded under SSG in the provinces are infrastructure related and are ongoing, others have been fully implemented.

PROJECT COMPONENTS:

A broad range of government infrastructure and development projects shall be funded under SSG. These range from infrastructure such as road construction, upgrading & maintenance to support for human resource development in the fields of education, social development & women. Also administrative services in local level government, district administration, police, courts and so forth can be funded under this grant.

PROJECT LOCATION:

The following Provinces currently with significant mining and petroleum activities are recipients of this grant- Western, Gulf, Southern Highlands (Petroleum), Enga and New Ireland. The SSG will be divided between the impact area and the host province area as agreed in the existing MOA.

PROJECT JUSTIFICATION:

Special Support Grants are earmarked for provinces with mining operations as part of the National Government's contribution towards development in these respective provinces. The SSG was introduced in 1989 as part of a Basic Mining Package and later in 1990 extended to the Petroleum sector. The SSG is provided for in project agreements and is intended to bring development to the impact area and the Province.

PROJECT CAPACITY:

Respective Provincial Governments and Special Purposes Authorities have the capacity to implement projects funded under SSG.

PROJECT BENEFICIARIES:

Beneficiaries of this grants will be the people of the respective Provinces mentioned above.

PROJECT SUSTAINABILITY

The respective provincial governments will maintain the infrastructure facilities and roads once completed as part of their recurrent costs.
