MAIN PROGRAM AGRICULTURE AND LIVESTOCK SERVICES

PROGRAM AGRICULTURE EXTENSION

Program Objectives:

To contribute to the improvement of rural lifestyles through provision of industry based extension services, research, marketing, promotion and administration of the coconut/cocoa industry in Papua New Guinea.

Program Description:

The provision of support services to the industry's programs, including research into all aspects of coconut/cocoa production systems and all aspects of the industry; provision of extension services and information dissemination systems. The program also concentrates on training farmers in crop husbandry practices for hybrid products, improving farm management practices to enable them to cultivate high yielding crops and improvement of marketing, management and operation of price support stabilisation arrangements for the industries. This program consists of six recurrent activities of the research component, one extension and two projects, the expenditure and other data are as follows:
